

C40 CITIES TRUE WORKSHOP

POWER OF COLLABORATION

The Power of Global Collaboration

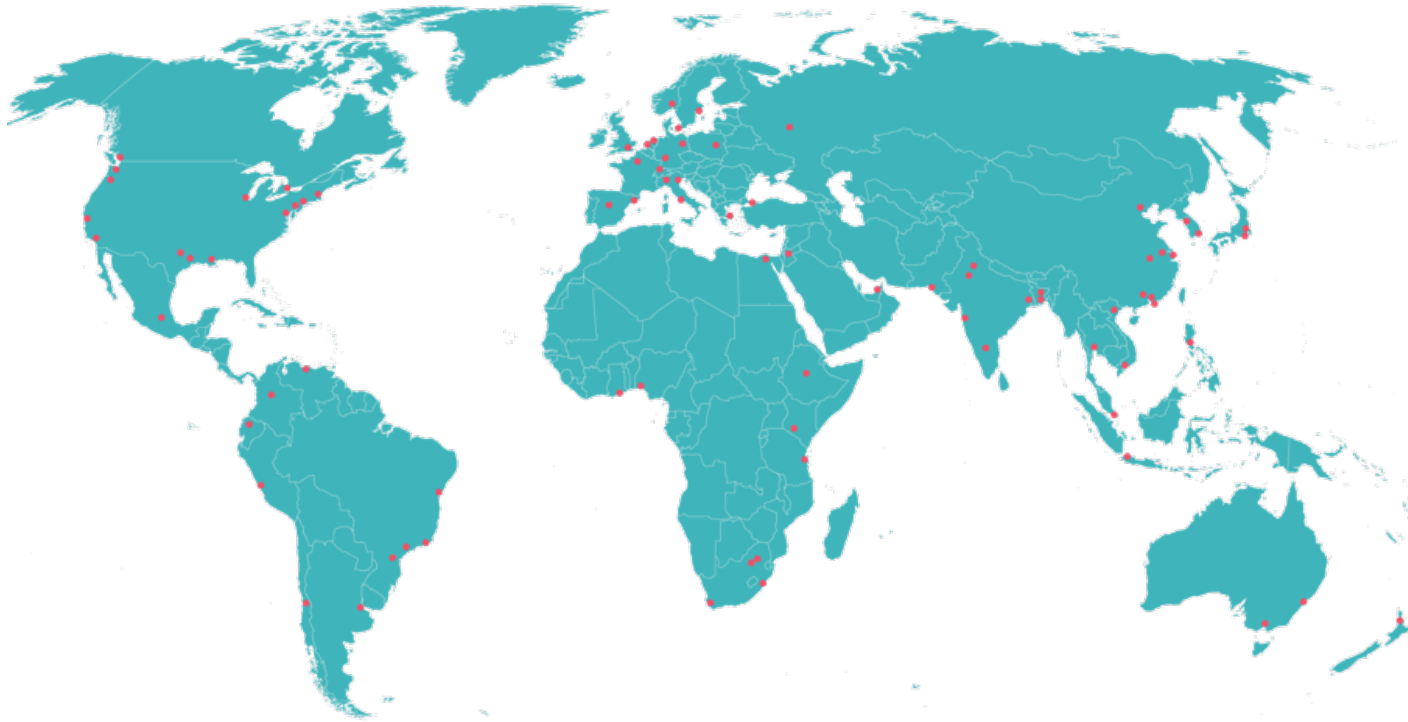

C40 helps city leaders help each other to deliver climate action and raise collective ambition

C40 CHAIR MAYOR OF PARIS, ANNE HIDALGO

“As mayors, we all face similar challenges and have to innovate to solve them, often in the same ways. The C40 network connects us all, enabling us to share ideas and collaborate, working together towards a greener, healthier future.”

The world's leading megacities working together to tackle climate change

C40 Fossil-Fuel-Free Streets Declaration

Driving the market by leveraging the collective voice of cities

C40 Fossil-Fuel-Free Streets Declaration

What do cities commit to?

- Procure, with our partners, only zero emissions buses from 2025
- Ensure a major area of our city is zero emission by 2030

NEWS

12 global cities plan to build emissions-free neighborhoods, support clean transit

Each city will create a "major emissions-free zone" and only purchase zero-emission buses starting in 2025

BY PATRICK SISSON | OCT 23, 2017, 8:17AM EDT

C40 Fossil-Fuel-Free Streets Declaration

Why?

- Demonstrate city ambition to tackle climate change and air pollution urgently
- Send a clear market signal to private sector for zero-emission mobility options and services

**will transform
their cities
into greener
and healthier
places to live**
